SparkLEEN is experienced in servicing a wide range of medical facilities. We recognize the complexities of dealing with cleaning and disinfection requirements, coupled with the complexities of high public and patient traffic. We also recognize that these facilities often have specialized requirements that SparkLEEN is positioned to fulfill.

Company Profile: [SparkLEEN Janitorial Services](#) is capable of providing the extensive training and support required by healthcare environments. In addition to large facilities, our infrastructure allows us to service multi-site and smaller sites. Our proactive approach and concern for the needs of staff, patient and visitors make us a valuable part of your team.

"We have been satisfied customers of Sparkleen for 6 years and recommend them highly for their thoroughness and professionalism."
